With the blooming flowers and the start of new life, it is difficult not to notice that we are surrounded by the Spring fresh air. While you are enjoying this Spring season, the board members have been working hard to bring you a WCA Mother's Day celebration unlike you have ever experienced before. We will have delicious foods and lots of activities for you and your child(ren), such as face painting, moon bouncing, and bubble blowing. In addition, we will have games and prizes to give out. Remember to RSVP, we will use your RSVP to register your family for the drawings. On behalf of the board, I would like to sincerely invite the entire WCA community to come out and join each other to celebrate this year's Mother's Day.
